

Geological Sciences and Geological Engineering
Term Adjunct Position
Fall Term 2010-2011

Posting Date:- July 1, 2010

Closing Date:- Aug 5, 2010

The Department of Geological Sciences & Geological Engineering at Queen's University invites applications from suitably qualified candidates interested in teaching the following undergraduate course in the fall term of the 2010-2011 academic year.

The University invites applications from all qualified individuals. Queen's University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity.

Academic professionals at Queen's University are governed by the *Collective Agreement* between the Queen's University Faculty Association (QUFA) and the University, which is posted at <http://www.qufa.ca>. A candidate qualified to teach may be considered for appointment to a **Term Adjunct** position as defined by the *Collective Agreement for All Faculty, Librarians and Archivist between QUFA and Queen's University*. Remuneration will be in accordance with the *Collective Agreement*, and appointments are subject to funding or enrolment criteria. A suitably qualified candidate who is a graduate student at Queen's teaching a course in their discipline is eligible for appointment as a **Teaching Fellow** during the period of their employment. If the graduate student is teaching a course in a different discipline then they would be eligible for appointment as a **Term Adjunct**.

Academic Term:-

Fall

Course Number and Name:-

GEOL 321: Analysis of Rock Structures
Percentage Responsibility for this course 100%

Appointment Start Date:

September 1, 2010
